HIGH ROAD SCHOOLS

SOUTHERN MARYLAND

TRANSITION Program

The Transition Program of the High Road Schools is designed to provide students an opportunity to prepare for independent living after graduation. To achieve these objectives, there are many components of our Transition Programs.

Students learn a variety of occupational skills such as interview techniques, resume writing and career exploration. To achieve maximum

Antonio and Shane work on your name plates

success, students are exposed a variety of careers, jobs and skill sets.

Additionally, having a product line exposes our students to the world of retail sales and customer service.

These experiences learn will benefit them in any future career.
