SIERRA SCHOOL GARDENS

Located at:
**SIERRA SCHOOL OF
SOLANO COUNTY**

Sierra School Gardens

Sierra School Gardens is a school to work program run by the Transition staff of Sierra School of Solano County. You may visit our website to find out more about our programs.

Sierra School Gardens is worked by dedicated students willing to learn garden curriculum. The students learn all aspects of the gardening business from:

- Soil rendering – to
- Garden beds – to
- Planting and Harvesting – to
- Garden Maintenance – to
- Harvest and Sales – to
- Business Management

The students of Sierra School Gardens are happy to provide a variety of tasty produce to the public.
