

WHY HIRE OUR STUDENTS?

- The students at High Road Academy of Prince George's County are pre-screened, motivated to work, and have to complete satisfactory job evaluations for graduation.
- The staff at HRA will monitor and provide job coaching as necessary to ensure maximized work performance of our employed students.
- Students can perform the jobs that require the time that your current workforce is unable to provide.
- Our students will work without compensation.

Our students apply for school based jobs where they learn introductory job skills such as dependability and teamwork
